We look for blokes and blokettes who have gone missing on [page 18](#)

We've been asked to check the reaction of blokes and blokettes to the idea of holding another Radschool reunion, possibly sometime next year. We've put a questionnaire on the site to get your opinions and you can go to it [direct HERE](#) or read more about it [HERE](#).

We're still waiting on one or more of the girls to get in touch and tell us about life as a WRAAF - tell us some of the things you used to get up to, about bed checks and all that disciplinary stuff that wouldn't be accepted today.

We finally have a new membership application. It's now on our site and you can access it [HERE](#). If you haven't already done so (and a few have) we ask that you take a few minutes and fill in the form and return it to us. It can all be done on line, no need to print it out - no need for stamps...just fill it in and click. Importantly, membership is now FREE. Once we have these forms returned we can re-build our member list and put it back on the site. Our last list was well out of date, many people have moved, changed email addresses, some have even gone overseas. In accordance with our privacy policy, none of the information you provide us will be given out to anyone.
