Even though you might have joined ages ago, we ask that you do it again as that list was so out of date it was virtually useless. We need to update. It only takes a minute to complete, you can do it all on line.....</p> <p>Remember, your details are completely safe with us, we do not pass on your details to anyone. See our privacy policy HERE.</p>	
<p>The reunion, which it was hoped could have been held in Brisvegas next year over the Anzac Day long weekend, did not attract enough interest to pursue it further, so, it won't be on - pity..</p>	<p>Unfortunately, this issue we don't have any stories of what blokes and/or blokettes have been up to while in and out of the RAAF, but we've been promised some for next issue, haven't we E??.</p>
<p>We had a few requests from blokes who print out the PDF version of the magazine using duplex print, that is, 2 pages to a sheet of paper by printing on the reverse of the paper. Because of the margins we've been using, they loose a fair chunk of the story on the even pages when they staple the whole thing together. We were asked if we could move the margins a bit to the right on all odd pages and to the left on even pages.</p> <p>Not a problem!!</p>	
<p>If you find any errors in these magazines, please get in touch and let us know so we can fix them.</p>
